INTERIOR

Newly Refurbished October 2016 with new carpet, lower side-walls, crew seats recovered and all leather professionally cleaned. Seating for three crew and up to ten passengers in an ultra-quiet cabin environment. The cabin is arranged with a forward four-place club seating area and aft four-place divan opposite two club chairs. Fireblocked. Pecan Brown leather chair upholstery is complemented by Light Café Crème divan upholstery, matching neutral headliner, patterned pecan fabric lower sidewalls, high-gloss wood cabinetry, corian countertops, desert sand wool carpeting, and Gold-plated hardware.

The cabin entertainment system features forward and aft 18" baker LCD flatscreen video monitors, airshow 400 passenger in-flight information system, baker DVD player, and baker 10-disc CD player. The baker cabin entertainment and switching system gives passengers in the forward club seating area full control of the audio/visual/lighting/air systems throughout the cabin. The aircell ST-3100 Iridium telephone system provides passengers with in-flight worldwide calling ability from anywhere in the world at any altitude.

The full-service forward "S"-style galley Features a TIA oven, microwave, and Braun coffee maker. The galley has ample space for catering of meals, Snacks, and beverages, featuring multiple sliding drawers, custom shelving, multiple ice drawers, custom wine storage area and your personal china, crystal, and flatware.

The private aft lavatory is convenient to passengers, and is complete with mirrored vanity, storage drawers, sink, and hot/cold pressure water system. The large closet, and spacious in-flight accessible aft baggage compartment, enables passengers to use this large area for changing clothes en-route.

Other cabin amenities include fiber optic cabin lighting, large stowable writing desks / dining tables with sunburst inlay design, and a 120-volt electrical outlet system for laptops and cell phone chargers.

EXTERIOR
