### **Interior: Refurbished 2014**

Inside is a very attractive 12 passenger interior, expertly finished featuring the finest leathers, fabrics and woodworking craftsmanship available in the industry. The forward cabin features a four place club arrangement, with tracking and reclining captain's chairs. All chairs in both cabins are fully berthable for sleeping. The aft cabin includes a four place couch and four place conference group with Hi-Lo adjustable table. The forward galley carries full amenities including ice-drawers, wavejet microwave oven, TIA coffee maker, hot cup, and high temp conventional oven. There is a full lavatory located in the aft of the aircraft. All seating is completed in a sand leather design, accented by the carpeting. The woodwork throughout the cabin is a beautiful high-gloss finish, offset by gold plating. Entertainment is provided by an 18" video monitor located in the forward cabin, and an 18" video monitor located in the aft cabin which can either play DVD's or the Airshow 4000 in-flight cabin display. Additionally the interior also includes a forward Jump Seat.

### **Exterior: New 2006**

Overall Matterhorn White with Aristo Blue and Space Grey Accent Striping
