INTERIOR: New Softgoods in 2020

Experience exceptional comfort and versatility with seating for up to ten passengers, including two optional rear jump seats. The thoughtfully designed cabin features a forward-facing two-place divan opposite a single rear-facing seat, transitioning seamlessly into a spacious club seating area. Toward the aft, you'll find a belted lavatory and two discreet jump seats. Enhancing the in-flight experience, a large LCD monitor on the forward bulkhead keeps you informed with real-time flight data, while USB power ports are conveniently positioned throughout the cabin and cockpit to keep your devices charged and ready.

MAINTENANCE

- Fresh Phase 1&2
- Maintained by Turbo Air - Boise, ID

MEISNER AIRCRAFT

JET SALES & ACQUISITIONS

Meisner Aircraft's Aviation Legacy began in 1922 when Edward C. Meisner started working for National Air Transport; a company that in 1931 would become known as United Air Lines, Inc. A Wisconsin-based firm consistently ranked in the top 5 inventorying dealers in the world for transactions, the Meisner family is now enjoying its 4th generation of aviation professionals. Well-respected since its 1979 inception, Meisner Aircraft is known for its ability to internally facilitate trade-in deals for its customers and fellow dealers worldwide.
