## INTERIOR

### New Interior in 2024 by West Star Aviation

Fireblocked Executive Nine (9) passenger seating plus a crew jumpseat includes a fwd galley, a fwd 4-place club section with an aft 3-place couch across from 2 captain seats. Leather seating is finished in a Vulcano Ash with custom diamond stitching inserts. A fully enclosed hard-door aft lavatory as well as a hard door aft of cockpit provides ultimate privacy and sound comfort. All existing fluorescent overhead and downwash lighting was upgraded to LED. Additionally, the cabin is equipped with elaborate super soundproofing technology which provides unmatched and noticeable sound reduction compared to other 50EX's. A cabin monitor is located on the fwd cabin bulkhead which displays flight information and entertainment options.
