► EXTERIOR: New in 2018 by West Star

Completed in 2018 by West Star Aviation in overall Marathon White with Acry Glo Gun Gray & Pantone Blue accenting.

► INTERIOR: New in 2018 by West Star

Completed in 2018 by West Star Aviation, this aircraft accommodates fourteen (14) passengers plus a forward crew jump seat. The forward cabin features four captain's club seats, followed by a mid-cabin conference grouping across from a Kibitzer cabinet, and dual three-place divans in the aft cabin, creating a modern, open layout. The configuration includes a spacious aft lavatory and a forward galley.

All materials are fully fire-blocked, including Garrett leather in a Chatham Thundercloud tone. The interior was extensively updated with entirely new wood veneer, along with refreshed lower and upper sidewalls and window lines. Bolon flooring was installed in the entryway, complemented by all-new satin nickel metal plating. The cabin is equipped with new Heads Up Technologies LED lighting throughout, along with an updated headliner system featuring the removal of traditional "subway" lights.

MEISNER AIRCRAFT

JET SALES & ACQUISITIONS

Meisner Aircraft's aviation heritage dates back to 1922, when Edward C. Meisner began his career with National Air Transport, a company that in 1931 would ultimately evolve into United Air Lines, Inc. Today, the Meisner family proudly represents four generations in aviation, continuing the legacy of a Wisconsin-based firm recognized for its ability to take trade-ins or purchase aircraft outright. Since its establishment in 1979, Meisner Aircraft has earned a strong reputation for facilitating seamless internal trade-in transactions for customers and dealers around the world.
